Let Love Continue Forever

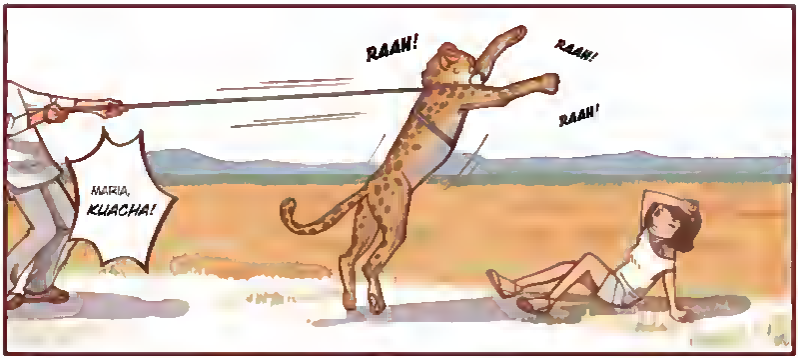
Love in Kilimanjaro

Compilation: Zhu Le Tao

Assistants: Yuan Fei Feifei

Because of my boyfriend's 100th postcard, I went to Africa

Five minutes after I arrived at Mt. Kilimanjaro's reserve in Tanzania, where my boyfriend volunteered, a cheetah glared at me
KEEP KEEP CALM!
GROWL
Gah!
After staring at me for five seconds,
It pounced on me
JUMP
EEEK!
ROAR!
My name is Hu Dan, 27 years old, a nurse at the N Hospital in Beijing. I came here because I wanted to bring my boyfriend back to China.
But now, I'm going to become a cheetah's lunch!



RAAH!
RAAH!
RAAH!

MY NAME'S SURA. SHE, MARIA. NICE TO MEET YOU!
How are you? It's very nice to meet you
Using the Swahili I just learned to greet them
Ahaha!
Ai ai! She can speak our tongue!
WHAT IS THIS SITUATION? ARE THEY EMBARRASSED?
Grip
Grip
MARIA WAS RAISED IN KILIMANJARO'S RESERVE SINCE SHE WAS YOUNG.
SURA IS FROM THE MASSAI TRIBE ON THE OUTSKIRTS OF THE RESERVE. SHE'S A HELPER IN THE RESERVE'S CANTEEN
ALESSA IS SURA'S LITTLE SISTER, ALWAYS STICKING WITH HER.
TOTO WAS PICKED UP BY THEM ON THE GRASSLAND
Sleeping?
Hu...
Scratch
Scratch
Maria, does that feel good?
THEY DON'T LOOK A FAY OVER TEN YEARS OLD. AND THEY'RE ALREADY WORKING?

THEN, ARE YOU VOLUNTEERING HERE FOR THE RESERVE, OR FOR THESE CHILDREN?

BOTH.

TU TU TU

When I was traveling and passed by the reserve, I saw people surrounding a child who had been bitten by a lion. The wound was infected, and she was close to dying.

Because they lacked doctors and medicine, everyone was awaiting the child's slow death.

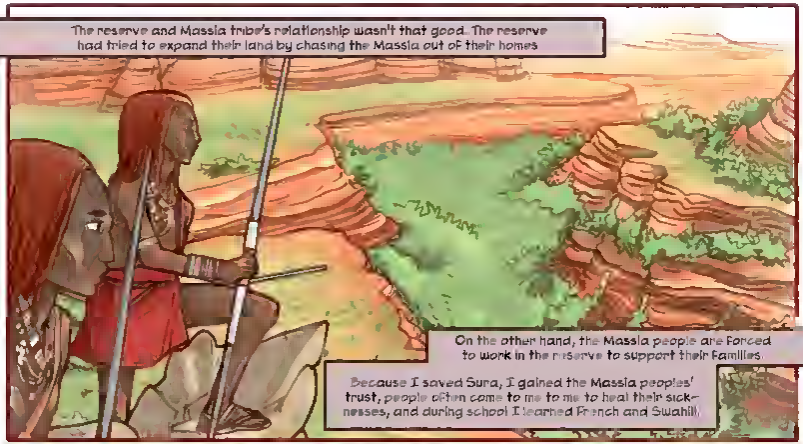
FIRST AID KIT

I used the first aid kit I always had with me and the medical skills I had learned that year and thankfully saved the child.

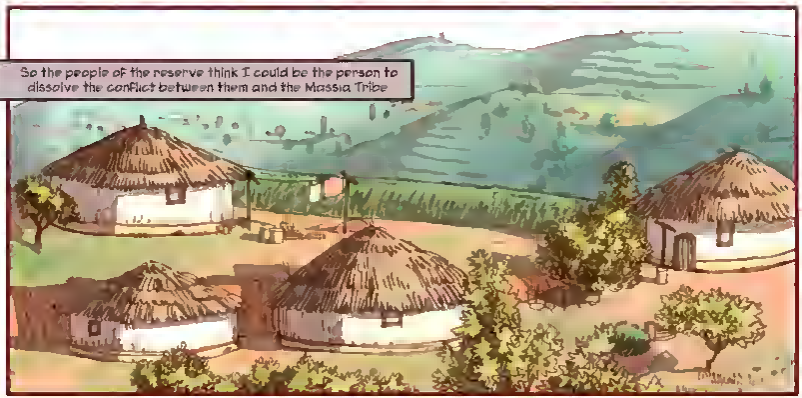
ARE YOU A DOCTOR?

When her small hand held mine, I decided to stay.

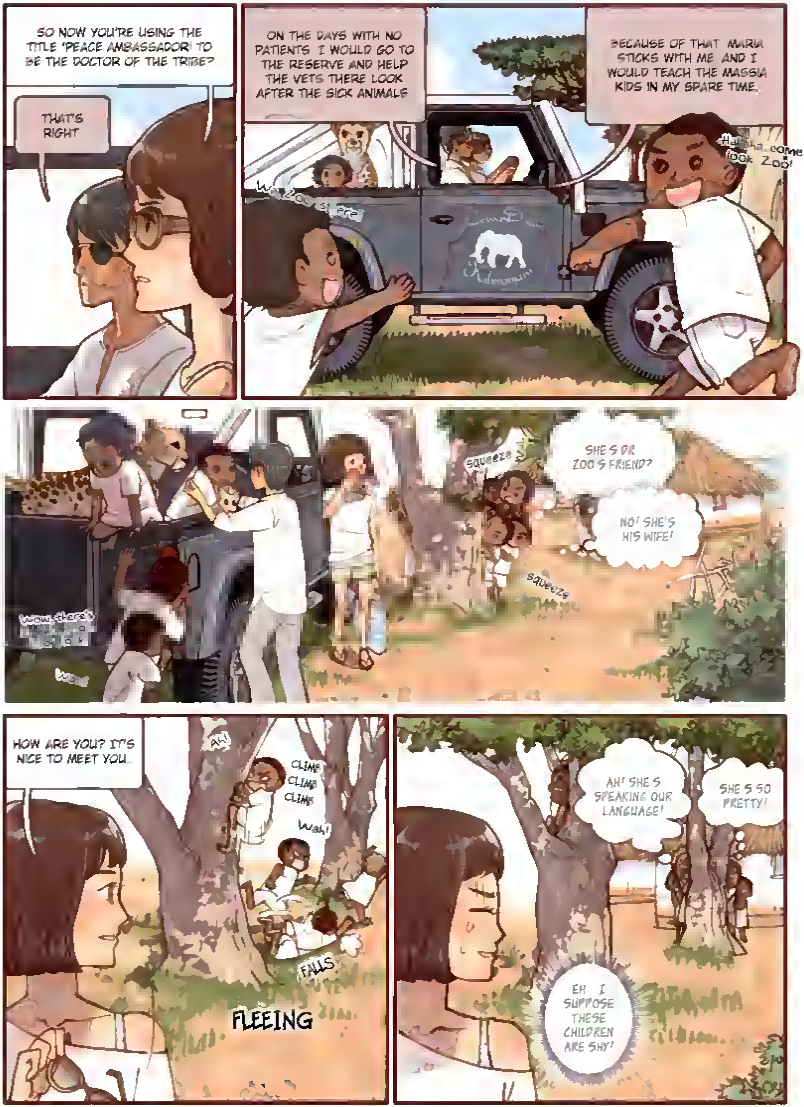
THIS GIRL...?
WAS SURA...



The reserve and Massia tribe's relationship wasn't that good. The reserve had tried to expand their land by chasing the Massia out of their homes
On the other hand, the Massia people are forced to work in the reserve to support their families
Because I saved Sura, I gained the Massia peoples' trust, people often come to me to me to heal their sicknesses, and during school I learned French and Swahili



So the people of the reserve think I could be the person to dissolve the conflict between them and the Massia Tribe



SO NOW YOU'RE USING THE TITLE 'PEACE AMBASSADOR' TO BE THE DOCTOR OF THE TRIBE?
THAT'S RIGHT
ON THE DAYS WITH NO PATIENTS I WOULD GO TO THE RESERVE AND HELP THE VETS THERE LOOK AFTER THE SICK ANIMALS
BECAUSE OF THAT MARIA STICKS WITH ME AND I WOULD TEACH THE MASSAI KIDS IN MY SPARE TIME.
Hakuna Matata
Welcome to Zoo!
SHE'S DR ZOO'S FRIEND?
NO! SHE'S HIS WIFE!
squeeze

wow, check it out

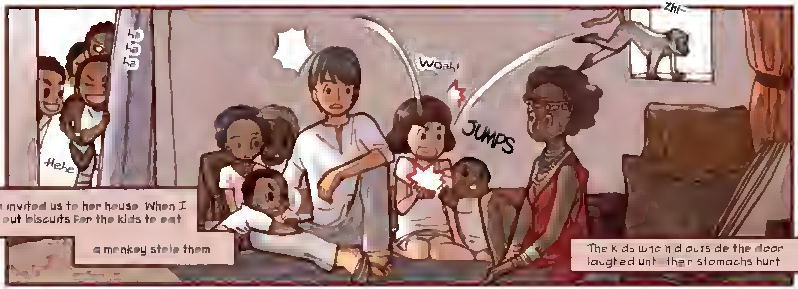
HOW ARE YOU? IT'S NICE TO MEET YOU.
AH!
CLIMB CLIMB CLIMB
Wah!
FALLS
FLEEING
AH! SHE'S SPEAKING OUR LANGUAGE!
SHE'S SO PRETTY!
EH I SUPPOSE THESE CHILDREN ARE SHY!



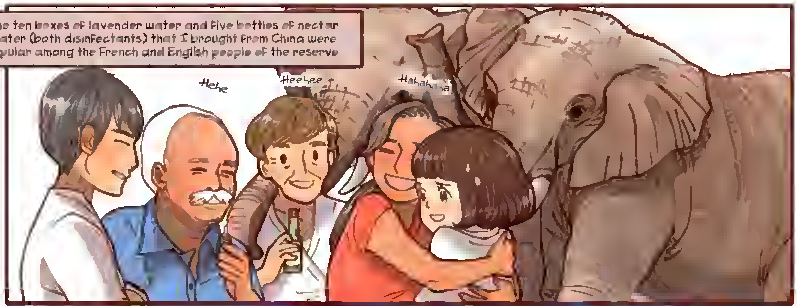
Sara invited us to her house. When I took out biscuits for the kids to eat

a monkey stole them

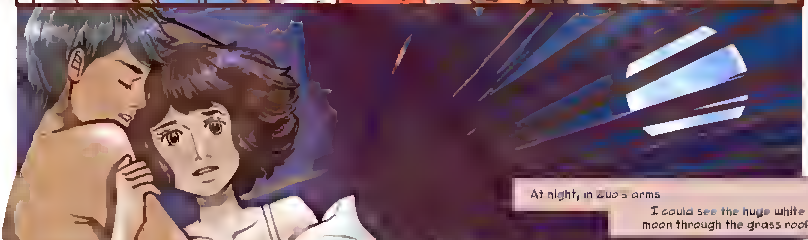
The kids who hid outside the door laughed until their stomachs hurt

Every day, I would be under the trees in the forest treating villagers, while Zuo would teach the kids English, geography, and art

It was only later that I found out that 'Zuo' was too hard to pronounce, so the villagers called him 'Zee'

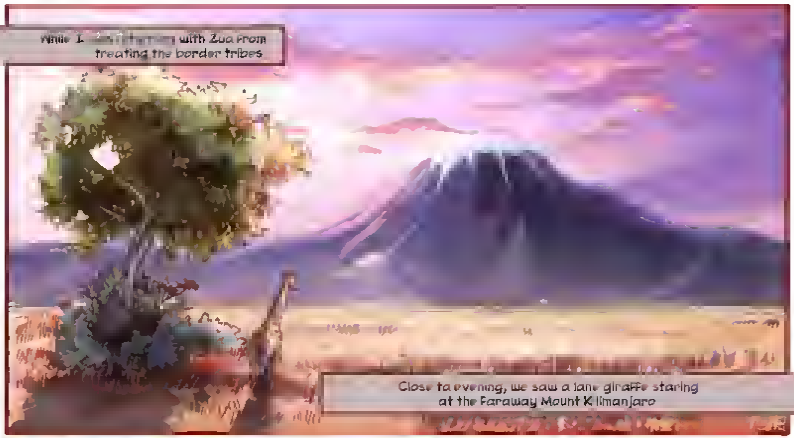


The ten boxes of lavender water and five bottles of nectar water (both disinfectants) that I brought from China were popular among the French and English people of the reserve



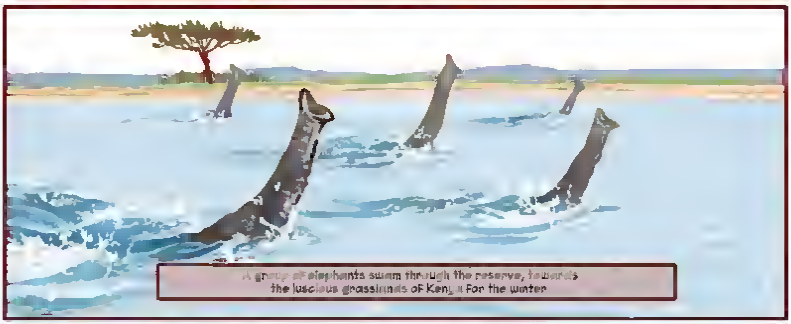
At night, in Zuo's arms

I could see the huge white moon through the grass roof



While I [illegible] with Zuo from
treating the border tribes
Close to evening, we saw a lone giraffe staring
at the Faraway Mount Kilimanjaro

Five kilometers away from the border, there is a swamp
that belongs to the reserve. It is the hippo's territory
I was warned by many villagers not to approach the swamp, because
when hippos are angry, they can be scarier than alligators



A group of elephants swam through the reserve, towards
the luscious grasslands of Kenya for the water

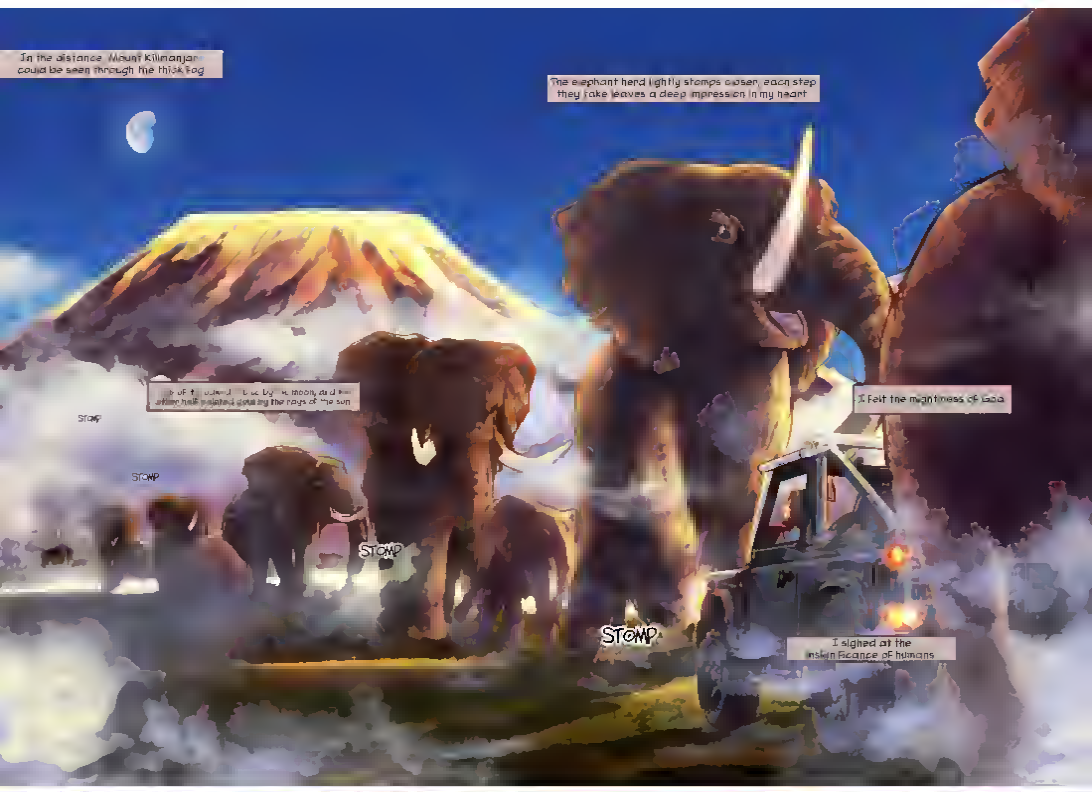
When Sura's older brother and I put the animals out to graze
I saw thousands of zebras crossing the river
The zebras were from Serengeti National Park. During the rainy
season, they'd travel towards the Kenya reserve

The last baby elephant that the Kilimanjaro reserve took in during the last drought was finally able to return to its herd

However, in the early morning rain and fog, we lost sight of the elephant herd

The elephants stepped through the mist and passed by me

Like the god of the grassland draped in warriors' robes it inspects its territory as dawn approaches



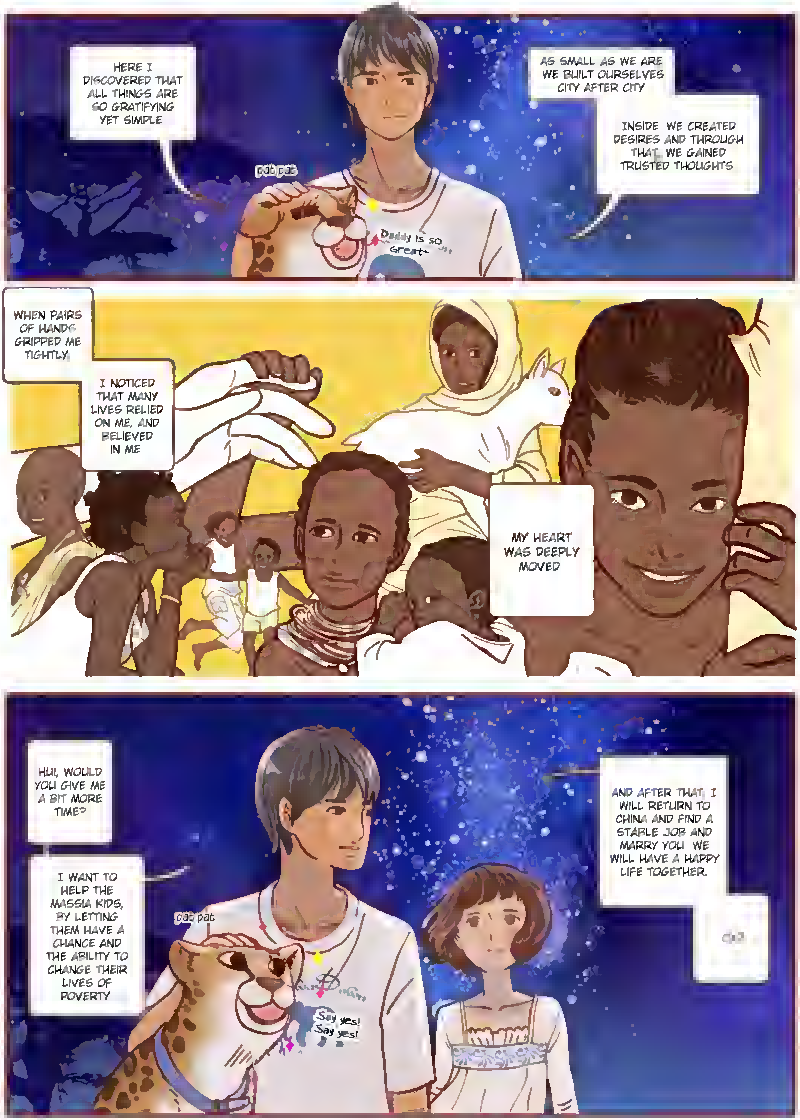
In the distance, Mount Kilimanjaro could be seen through the thick fog
The elephant herd lightly stomps closer, each step they take leaves a deep impression in my heart
STOMP
STOMP
STOMP
STOMP
I felt the mightiness of Gaia
I sighed at the insignificance of humans

There's no fear, sadness, or joy
My tears won't stop, but my soul inside remains calm
Zuo takes my hand without saying a word.
We've been in love for many years, but this has never happened
We understood each other without saying a word

At night the Massia people held the Kuzalwa Upya which is the ceremony performed to honor the ancestors
The Massia people danced freely by nature's natural rhythm
Such a sight made me feel touched
ZUO, I'M AFRAID...

I'M AFRAID THAT YOU WILL STAY HERE FOREVER AND NEVER RETURN TO CHINA
AND NEVER RETURN TO MY SIDE.
I HEARD OF THE PHRASE "THE FURTHEST LOVE IS THE CLOSEST HATE." BACK THEN, I DIDN'T UNDERSTAND IT
NOW THAT I THINK ABOUT IT, IT PROBABLY MEANS THAT ONE DEDICATES ALL THEIR LOVE TO PEOPLE AND THINGS THAT ARE FAR AND UNREACHABLE
THEY'VE LOST THE ABILITY TO LOVE THOSE CLOSEST TO THEM.
I LOVE YOU
I ALWAYS HAVE

LOOK,
IT'S THE GALAXY...
RUSTLE
RUSTLE
RUSTLE
RUSTLE
RUSTLE
RUSTLE



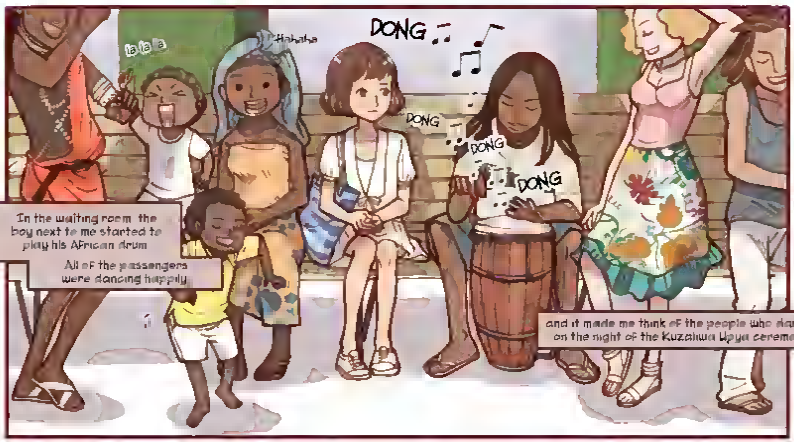
HERE I DISCOVERED THAT ALL THINGS ARE SO GRATIFYING YET SIMPLE
pdc pdc
Daddy is so great!
AS SMALL AS WE ARE WE BUILT OURSELVES CITY AFTER CITY
INSIDE WE CREATED DESIRES AND THROUGH THAT, WE GAINED TRUSTED THOUGHTS
WHEN PAIRS OF HANDS GRIPPED ME TIGHTLY,
I NOTICED THAT MANY LIVES RELIED ON ME, AND BELIEVED IN ME
MY HEART WAS DEEPLY MOVED
HUI, WOULD YOU GIVE ME A BIT MORE TIME?
I WANT TO HELP THE MASSAI KIDS, BY LETTING THEM HAVE A CHANGE AND THE ABILITY TO CHANGE THEIR LIVES OF POVERTY
pdc pdc
Say yes! Say yes!
AND AFTER THAT, I WILL RETURN TO CHINA AND FIND A STABLE JOB AND MARRY YOU. WE WILL HAVE A HAPPY LIFE TOGETHER.
ok?

I didn't reply to Zue's compromise that night

I knew that no matter where he was,

his heart would always be in this land of wilderness

Zue brought me to the airport and I didn't dare look back.



lalala

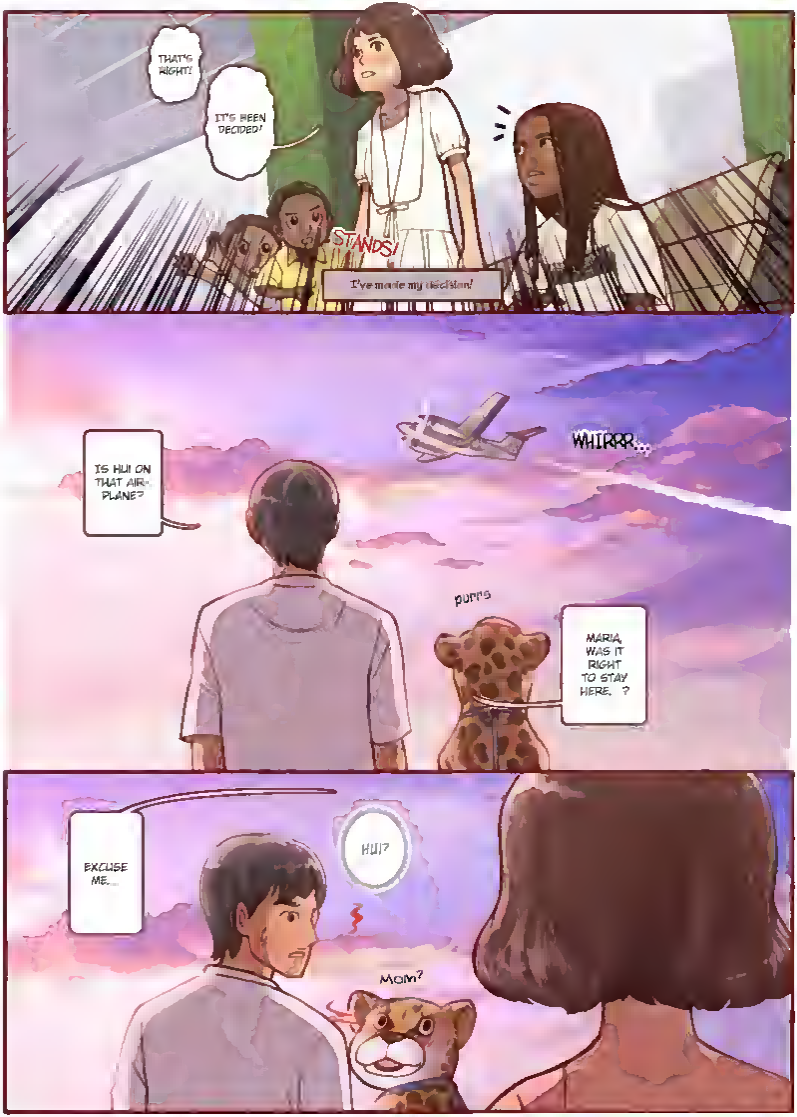
In the waiting room the boy next to me started to play his African drum
All of the passengers were dancing happily
and it made me think of the people who danced on the night of the Kuzaiwa Ugya ceremony

The snow on Mount Kilimanjaro
the clear blue sky,
the elephant herd,
the galloping zebras,
and the happy, simple people
All of this, filled with love, dispersed in my heart.
Spreading.
Agitating.



THAT'S RIGHT!
IT'S BEEN DECIDED!
STANDS!
I've made my decision!
WHIRRR...
IS HUI ON THAT AIRPLANE?
